September 2024

Dear ACCRW Members,

We are off to a great start in our campaign for our Republican candidates. We are bagging cookies for the Apple harvest in October. Volunteers are needed to man the booth. Please sign up to help. We always have a great time, and it is very rewarding for our organization. When we are successful at our fundraising, we are able to catapult our candidates forward in their campaign through donations and ads.

Another big piece of news is that we have opened a Republican Victory Center in Dietrich Commons on Rt. 116 in Gettysburg. The purpose of this center is to advance Republican candidates by helping registered voters with mail-in ballots, letters to the editor, answering questions from the public, phone banking, and watch parties for debates and Election Day. Trevor Taylor will be heading up the Young Republicans and the Republican Club to help lead these activities. We will occupy the center until November 15. The center will be open six days a week, around 4 hours each day. Additional information can be found below.

Thank you to all who attended the general council meeting in August to vote on the clarification of our bylaws. In an era where words are misconstrued and taken out of context, we felt it was very important to make our bylaws clear and straight forward for membership applications.

With all the uncertainties that lie ahead, we must seek assurance and support from our faith and our families. We are not only an organization to advance our politicians, but we have built some meaningful relationships within the ACCRW based on our Republican values. We can also rely on one another.

With warmest regards,
TRUMP 2024!

SUMMER PICNIC

On July 20, 2024, we held our annual summer picnic at the home of Kim and Dan Issac. It was a beautiful day filled with much spirited conversation and lots of delicious food...barbeque ribs, fried chicken, salads and scrumptious pies from Deb's Market. We were thrilled to have a visit from State Senator Doug Mastriano who spoke about the importance of the upcoming election and voter integrity. Also joining us for the afternoon were State Rep Torren Ecker with his lovely family and Deb Taylor, the newly elected president of the PA Federation of Republican Women. The fun filled day is captured in the pictures below.

PENNSYLVANIA FEDERATION OF REPUBLICAN WOMEN

Another Pennsylvania Federation of Republican Women's convention has come to a close. Officers have been elected, banquets have been served, and we've received lots of information to bring back to our council. Our very own regional Director, Deb Taylor, was elected PFRW president. Dave Sunday, candidate for Pennsylvania State Attorney General, addressed our ladies with his campaign platform. Ian Brink, Franklin County district attorney, spoke to us about crime, drugs, and human trafficking taking place in Franklin County. This is a problem that is occurring in every town, small and large, across the state of Pennsylvania. We also enjoyed a talk from a representative from Dave McCormick's campaign who discussed his platform as well as election integrity. The convention was very informative. I would encourage anyone who could attend the next convention in 2026 to make it happen. I will be looking forward to it.

Help is needed in 3-to-4-hour shifts. Tickets will be provided to the volunteers for free entry. Come out and enjoy this fun event and help the Council.
